

DEVELOPMENT MATRIX - Our area of priority / focus

No.	Specific objectives	No	Actions	Result indicators and Deliverables	Donor and Funding	Estimated costs (mln Euro)	Timeframe	MIA Priority	Current Status	Notes
PUBLIC ORDER AND SECURITY (Policy area)					The public order and security program for 2022-2025					
1.1	Enhancing the safety of the population at home, in the community and in public spaces									
1.1.1.	Ensuring a professional, efficient and fast response to specific challenges	1	Elaboration and implementation of the PSO manual for public order and security activity	Manual PSO Good practices on interaction with people from vulnerable categories, including people with disabilities, national minorities, victims of violence, the elderly, included in the PSO manual		0,2	Quarter I 2025	1		
		2	Improved communication tools of public order and security services for relevant vulnerable categories	Web pages improved, information materials prepared, boards organized, brochures printed	World Bank	0,5	Quarter IV 2025	2		
		3	Digital literacy of public order and security service employees regarding threats from the virtual environment and digital rights	100% trained frontline employees		0.3	Quarter IV 2024	2		
		4	Ensuring effective activity in the community	Supply: ➤ 400 tablets ➤ 300 computers ➤ 200 laptops ➤ 100 multifunctional printers/scanners ➤ 500 bodycam ➤ 20 drones ➤ 200 patrol cars	1. Japan/UNDP project (100 tablets, 100 bodycams, 6 auto) 2. Japan/UNDP/IOM (4 auto) 3. UE/ POC RO-MD 2019- 2021 (4 auto) 4. UE/DGNEAR/OIM 5. FPI/UE/GIZ 6. Canada	14	Quarter IV 2025	1	IN IMPLEMENTATION	https://www.undp.org/moldova/press-releases/japan-contributes-us68-million-enhance-energy-food-and-community-security-moldova https://amp.gov.md/ai/viewActivityPreview.do~activityId=2929 https://amp.gov.md/ai/viewActivityPreview.do~activityId=2929
1.1.2.	Integration and development of data sources to create value-added information for decision making	5	Training and promotion of analytical culture within public order and security services	20 trainers trained 2 OSINT tools procured Trained analysts on the development of analytical products	FPI/UE/GIZ	2	Quarter IV 2024	2	In Implementation	https://amp.gov.md/ai/viewActivityPreview.do~activityId=2929
1.1.3.	Extension of the community police activity concept to 80% of police sectors	6	Extending the application of the Community Policing Concept	Communication campaigns to promote the concept	Sweden	0.2	Quarter IV 2025	3		https://amp.gov.md/ai/viewActivityPreview.do~public=true~pageId=2~activityId=2031~language=ro
		7	Developing capacities for ascertaining and assessing risks in cases of family violence	Mixed training of the authorities in the management of cases of domestic violence	USA/TeDoy	0.3	Quarter IV 2025	3	In implementation MoU signed	

No.	Specific objectives	No	Actions	Result indicators and Deliverables	Donor and Funding	Estimated costs (mln Euro)	Timeframe	MIA Priority	Current Status	Notes
		8	Creation and piloting of the Family Justice Center (CJF) in the municipality of Chisinau for victims of family violence	Opened Family Justice Center	USA / OIM	1.4	Quarter IV 2023	4	Finished	Building in renovation process https://amp.gov.md/aim/viewActivityPreview.do~activityId=1106
		9	Expanding the referral mechanism for drug abuse treatment and rehabilitation	10% of the MAI staff trained in the application of referral schemes Referral schemes extended to at least 6 districts 100% transport units equipped with individual protection kits 100% of the MAI staff equipped with personal protective equipment trained in workplace health protection and the application of personal protective equipment		2	Quarter IV 2025	5		
1.1.4.	Modernization of the infrastructure and equipment of services	10	Building up and equipping police units, including in the context of regional security	Improved working conditions in police units and enhanced security Secured communication network Personal Protective Equipment Polygons for practical trainings	UK (pers. prot. equipt 120 sets) UE POC LIP THOR (10 renovated Police Stations) INI	17	Quarter IV 2025	1	Partially covered	Donated Personal Protective Equipment Reconstruction and renovation of 10 police stations Construction of a new headquarters for 3 operational units of Ini https://amp.gov.md/aim/viewActivityPreview.do~activityId=1930 https://amp.gov.md/aim/viewActivityPreview.do~activityId=3006
1.2 Aligning public security and law enforcement with the human rights-based approach										
1.2.1.	100% alignment of the conditions for the provision of public security and order services with human rights standards	11	Elaboration of the study regarding the compliance of the conditions, procedures and practices of the MIA system with international standards regarding the application of custodial and non-custodial measures	Developed study (including the UN Standard Minimum Rules for Non-Custodial Measures, the UN Standard Minimum Rules for the Treatment of Prisoners, the UN Rules for the Treatment of Women Prisoners and Non-Custodial Measures for Women Offenders)		0.2	Quarter IV 2023	2		
		12	Prevention of situations of violation of human rights in interaction with public order services	PSOs in the area of public order and security revised, aligned with the human rights-based approach 50% of employees applying revised PSOs, trained annually	Council of Europe	2	Quarter IV 2025	2	In implementation	https://www.coe.int/en/web/chisinau/human-rights-in-criminal-justice

No.	Specific objectives	No	Actions	Result indicators and Deliverables	Donor and Funding	Estimated costs (mln Euro)	Timeframe	MIA Priority	Current Status	Notes	
		13	Prevention of situations of violation of human rights during the custody of public order services	3 special cars for the transport of people with locomotive disabilities purchased	Council of Europe	0.2	Quarter IV 2025	1	In implementation	https://www.coe.int/en/web/chisinau/human-rights-in-criminal-justice	
		14	Strengthening the capacities of public order and security services in combating crimes motivated by prejudice, hate speech and war propaganda	24 trainers trained in the field of combating crimes motivated by prejudice, equality and non-discrimination, including those related to Roma and LGBTQ+ people The didactic material for trainers elaborated; 5 organized regional trainings; Minimum 1000 employees trained annually Disaggregated data collection mechanism improved	MIA Netherlands Swedish Police Authority Council of Europe	4	Quarter IV 2024	2	In implementation In implementation Finished	https://amp.gov.md/aim/viewActivityPreview.do~activityId=2031 https://amp.gov.md/aim/viewActivityPreview.do~activityId=2295	
		15	Promoting communication with vulnerable groups	10 employees trained in facial-gestural communication Equipment to facilitate communication with people with sensory disabilities procured 2500 employees trained in the use of the equipment		2	Quarter IV 2024	1			
		16	Implementation of the concept of basic tactics in police activity	Application guide Minimum 4000 employees trained annually	USA/UNDP	3	Quarter IV 2025	1	In implementation		
1.2.2.	Development of the integrated capabilities for intervention at public events with respect for human rights	17	Public order and security services equipped according to the approved PSO in the field	Public order and security services equipped in proportion to 30%	Romania	7	Quarter IV 2025	1	In discussion		
1.3 Increasing traffic safety on public roads											
1.3.1.	Intensification of road accident prevention	18	Organizing the exchange of experience to identify solutions to respond to new threats in the field of road safety (aggressive driving, rallies, alternative means of transport, vulnerable participants)	Good practices learned; Annual positive dynamics of road accidents generated by new threats	UNICEF	0.4	Quarter IV 2025	3	MoU signed		
		19	Expanding the network of „road safety towns” for children and mobile prevention and road education centers	At least 2 road safety cities for children created At least 2 mobile prevention and road education centers, created	GERMANY UNICEF	1	Quarter IV 2024	2	In implementation	Action Plan signed https://amp.gov.md/aim/viewActivityPreview.do~activityId=2654	
		20	Organization of traffic information campaigns aimed at preventing road accidents	Students of at least 3 universities trained in the field of road safety, annually	UNICEF	0.3	Quarter IV 2025	3		Action Plan signed	
2. PREVENTING AND FIGHTING CRIME (Policy area)					The crime prevention and combating program for the years 2022 – 2025						
	2.1 Creating and facilitating access to appropriate tools and mechanisms in combating and preventing cybercrime										

No.	Specific objectives	No	Actions	Result indicators and Deliverables	Donor and Funding	Estimated costs (mln Euro)	Timeframe	MIA Priority	Current Status	Notes
2.1.1	Development of institutional capacities in the field of cybercrime in order to ensure an effective response of the responsible institutions	1	Equipping the specialized subdivisions for combating cybercrimes with software and hardware tools necessary for the activity of investigation, analysis and examination	3 software and hardware tools purchased	UE/FPI	3	Quarter I 2024	1	In implementation	
		2	Development of the CyberLab. Training the staff responsible for the investigation of cybercrimes and for the monitoring the hidden digital/virtual space on the latest analysis and examination tools, strategies, mechanisms in order to prevent and combat cybercrime	CyberLab developed The number of organized trainings; the number of trained officials Forensic equipment	Council of Europe USA CEPOL/UE	2	Quarter III 2025	1	In implementation Approved	Adoption of legislation with the Budapest Convention
		3	Creation of the unit responsible for monitoring the hidden digital/virtual space (Darknet).	Staff lists of the DIII of the INI of the IGP modified (supplementation of the lists with at least 3 employees)		4,2	Quarter III 2024	1		
2.1.2.	Efficiency of the mechanism regarding data collection with reference to cyber security incidents	4	Creation and operationalization of an open national platform for reporting online incidents	Platform created and operationalized		1	Quarter IV 2023	2		
2.1.3	Increasing the degree of awareness among citizens (including children) by informing them of the dangers to which they may be exposed by accessing cyber/online space	5	Development/promotion and distribution of online safety videos and brochures.	5 videos promoted and distributed 10000 brochures distributed	Council of Europe UNICEF	0.2	Quarter IV 2025	2	In implementation	Children online security https://www.coe.int/en/web/chisinau/preventing-and-protecting-children-from-violence-including-in-the-digital-environment-in-the-republic-of-moldova
2.2 Streamlining the national mechanism for preventing, combating the production and marketing of drugs, ethnobotanicals, their analogues and precursors										
2.2.1.	Optimizing, by 2023, the procedure for including psychotropic substances and their analogues under state control	6	Connecting the Republic of Moldova to the European Early Warning System (EWS) for the collection and exchange of information on the emergence of new psychoactive substances (NPS), including changes caused by the emergence of epidemic outbreaks.	2 BD EWS access licenses purchased IT equipment purchased		1	Quarter I 2025	1		
2.2.2.	Increasing the online investigation capabilities of cases of illegal circulation of drugs, ethnobotanicals or	7	Assessment of the needs of the General Police Inspectorate in the field of investigation of drug-related crimes	Purchased equipment: 1 minibus equipped with portable printer, 3 cars, Wi-Fi router and computer connected to available databases, 21 stationary computers, 25 laptops, 3 tablets, 1 drone		12	Quarter III 2024	2		

No.	Specific objectives	No	Actions	Result indicators and Deliverables	Donor and Funding	Estimated costs (mln Euro)	Timeframe	MIA Priority	Current Status	Notes
	their analogues	8	Increasing the staffing of the Anti-Drug Directorate of the INI of the IGP by 3 units.	Supplementing the states of staff with 3 employees. The number of employees trained in the field of combating the sale of drugs, ethnobotanicals or their analogues in the online environment		2	Quarter III 2024	2		
2.2.3.	Strengthening the activity of combating drug trafficking based on information on their locations	9	Conducting information and training activities for community members (especially young people and vulnerable groups) regarding the consequences of drug use, narcotic, psychotropic, ethnobotanical substances, plants containing such substances, and/or their analogues.	Number of information and prevention activities/campaigns carried out; Number of organized trainings; Number of participations in radio and TV shows; Number of articles published in the press	OSCE/ UNODC UNICEF	1.5	Quarter I 2025	2	In implementation	crime prevention among young people
2.3 Revising the mechanism regarding access to weapons from the perspective of restriction and establishing rigorous procedures for monitoring, marking and controlling weapons in the civilian circuit										
2.3.1.	Increasing mediating actions based on the Problem Oriented Policy principle in order to raise civil society awareness regarding the voluntary surrender of weapons from illegal possession	10	Organization of information campaigns for the population at national level, through: information spots through official websites, social networks and mass media	Organization of 2 campaigns		0.2	Quarter III 2025	2		
	Ensuring an effective response to criminal trends in arms and ammunition.	11	Extending the functionality of the Automated Information System "State Register of Arms".	Developed and operationalized information system 4 new record fields created to disaggregate the necessary data	EU	2,4	Quarter II, 2025	1	Partially covered	Evaluation Report on the development of technical specification of the new functionality
2.3.2	Development of the National Focal Point on Arms	12	Equipping the specialized subdivisions	Software and hardware tools purchased	LVG/EaP (RO, Spain) UE/CEPOL PNUD SEESAC	2	Quarter IV, 2025	1	In implementation Accepted In discussion	
2.4 Increasing the capacities to identify and neutralize high-risk criminal groups and organizations										
2.4.1.	Ensuring unhindered data exchange and timely access to information	13	Providing the technical means to obtain data for documenting criminal groups	IT Equipment, specialized equipment and software purchased	EU Commission OSINT RADAR CrimArt INVERT RITHMS (2 PC) POLIICE TENACITY EMERITUS CEASFIRE PERIVALLON VIGILANT TENSOR CPORT	5	Quarter III 2024	1	In implementation	IT platforms

No.	Specific objectives	No	Actions	Result indicators and Deliverables	Donor and Funding	Estimated costs (mln Euro)	Timeframe	MIA Priority	Current Status	Notes	
					INVERT						
		14	Ensuring the mobility of investigative teams	Cars procured		2	Quarter IV, 2025	1			
	2.5 Improving the capacities to prevent and combat crimes that threaten a person's life and property										
2.5.1	Development of intelligent tools for reporting crimes, searching for criminals and missing persons	15	Development of the mobile application through which citizens could notify/report suspicious cases or crimes (implementation of the Crime Stoppers, Spot Crime, Crime Report projects, etc.)	Functional and used application		0.4	Quarter IV 2024	2			
		16	Implementation of facial recognition software to identify wanted criminals as well as missing persons	Software implementation Development of application		2	Quarter III 2025	1			
		17	Accumulation, systematization and use of information about persons who have committed crimes against the person or property, in order to determine in the future other persons to refuse to commit crimes given the inevitability of identification and the conviction.	Increasing by at least 50 cases the information of the society about activity results.		8	Quarter II 2024	3			
3. BORDER MANAGEMENT (Policy area)				3. BORDER MANAGEMENT (Policy area)				Border Management Program for 2022-2025			
	Outcome 3.1: Reduced state border vulnerability based on thorough knowledge of the situation										
3.1.1.	Expand informational sources for full understanding of the state border situation by 2024	1	Upgrade the coordination system of the state border security in order to improve data processing, have a comprehensive knowledge of the situation and information exchange with national and international relevant authorities, including within the context of the European Border Surveillance System (EUROSUR).	Radio network of high capacity, radio channels, servers for sending, processing and operate data, purchased software packages for processing data and for the replenishment of the Operational Coordination Center of the Border Police; an established national big picture of the region; revised national normative framework; trained EUROSUR beneficiaries/users	Italy/IOM	3,5	Quarter IV, 2024	1	Partially covered	IN IMPLEMENTATION https://amp.gov.md/aim/viewActivityPreview.do~public=true~pageId=2~activityId=2345~language=en	
		2	Implementation of the Advance Passenger Information System (APIS) and Passenger Name Register (PNR) in Chisinau International Airport.	System implemented and functional	IOM	0.2	Quarter IV, 2025	3	In implementation	https://amp.gov.md/aim/viewActivityPreview.do~public=true~pageId=2~activityId=1905~language=ro ????	
		3	Modernization of the state border security coordination system in order to improve data processing, situational awareness and the exchange of information between the relevant national and international authorities, including in the context European border surveillance system (EUROSUR).	High-capacity radio network, radio channels, servers for data transmission, processing and processing, software packages for data processing and retrofit works the Operational Coordination Center of the purchased Border Police; national situational picture created; revised national regulatory framework; trained EUROSUR users.	Italy/IOM	3,5	Quarter IV, 2024	1	Partially covered	IN IMPLEMENTATION https://amp.gov.md/aim/viewActivityPreview.do~public=true~pageId=2~activityId=2345~language=en	

No.	Specific objectives	No	Actions	Result indicators and Deliverables	Donor and Funding	Estimated costs (mln Euro)	Timeframe	MIA Priority	Current Status	Notes
Outcome 3.2: A safe, secure and functional state border										
3.2.1	Increase control quality at the state border crossing and reduce the waiting time	4	Expand the joint border control of people, of transportation vehicles and goods at the crossing points of the Moldovan-Ukrainian state border	Joint border control consisting of at least five 5 crossing points at the Moldovan-Ukrainian state border, with increased focus on the central segment (Transnistrian)	Signed agreement with UKR for joint control in the Basarabeasca-Serpniovo-1 railway BCP	5,2	Quarter IV, 2025	2		
3.2.2	Upgrade and the gradual practical use of the surveillance instruments of the state border	5	Spread the concept of joint patrolling at the Moldovan-Ukrainian border, throughout the central segment (Transnistrian)	Joint patrolling ran on the entire central segment (Transnistrian) of the Moldovan-Ukrainian border		6,3	Quarter IV, 2025	1		
3.2.3	Strengthen the Border Police capacity in aeronautical security	6	Develop the training center in aeronautical security	A developed training center of the General Border Police Inspectorate	GS Foundation	0,3	Quarter IV, 2024	1	In implementation	https://amp.gov.md/aim/viewActivityPreview.do~public=true~pageId=2~activityId=2477~language=ro
Outcome 3.3: Continuous capacity for an efficient implementation of the state border consolidated management										
3.3.1	Enhance the border coverage level with qualified personnel referred to the European practices by 2025	7	Build the Border Police K9 Center	A working K9 Center	Czech Republic	2,5	Quarter IV, 2025	2	In implementation	MoU signing negotiations phase
		8	Create a special intervention subdivision at the state border	Subdivision established; ensure training conditions Border police officers equipped with specialized clothing, optics and storage, transport and storage, communication, travel and camp equipment and tactical vests Directorate for Special Actions created within GIBP (by GD 520/2022)	USA	2	Quarter IV, 2025	3	In implementation	
3.3.2	Gradually equip the state border with modern technologies and ensure sustainability	9	Equip the state border crossing points with IT equipment, reading and verifying documents as well as other special means necessary for a timely and high-level control when crossing the border	Supply: <ul style="list-style-type: none">➤ minimum five (5) video-spectral control devices;➤ minimum two (2) spectral luminescent microscopes;➤ minimum 87 devices for examining identification documents;➤ minimum 22 mobile software-hardware complex;➤ minimum 45 working stations for reading identification documents;➤ minimum 36 devices for verifying the legitimacy of documents;➤ minimum 20 inspection devices;➤ minimum 40 endoscopes.	DG NEAR /OIM	1	Quarter IV, 2024	1	In implementation	https://amp.gov.md/aim/viewActivityPreview.do~public=true~pageId=2~activityId=2452~language=en
